

0700L 7-inch LCD

Touchscreen Monitor

Integrated Touch

Commercial Grade

3-Year Warranty

Product Overview

The Elo 0700L 7-inch widescreen touchscreen monitor is designed to serve as a multi-functional unit with cost and space savings in mind. Whether used as a stand-alone or secondary display attached to a larger device, the 0700L can be applied to any environment, especially where a small screen is required. The 0700L is available with AccuTouch® five-wire resistive touch technology. Utilizing DisplayLink™ technology, the 0700L allows for power, video and touch signal through a single USB cable.

The optional web camera and three-track magnetic stripe reader (MSR), programmable to either HID or keyboard emulation (USB only) offer easy installation by the user, providing an elegant, integrated solution.

Available with AccuTouch five-wire resistive

IPX1 rated as resistant to dripping water; IP54 rated as resistant to particles and liquids

VESA mounting options

0700L 7-inch LCD Touchscreen Monitor

Specifications
